

A photograph of a building facade featuring the ARVAL logo. The logo consists of a stylized starburst icon above the word "ARVAL" in large, white, 3D block letters. The building has a modern architectural style with glass windows and a dark facade. The image is partially obscured by a green diagonal overlay at the bottom.

User Guide
Insights

/ARVAL

Activate the insights section

- 1) Go to Manage Content -> Content
- 2) Search the Title “Insight” in the type “advanced page”

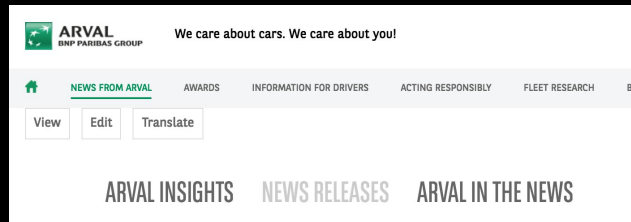

The screenshot shows a content management system interface with the following elements:

- Search Filters:** Title (Insight), Type (Advanced page), Author (empty), Published (- Any -), and an Apply button.
- Operations:** A dropdown menu set to "- Choose an operation -" and an Execute button.
- Table:** A table with columns for Title, Type, and Author. It contains one row with the following data:

<input type="checkbox"/>	Title	Type	Author
<input type="checkbox"/>	Insights	Advanced page	superadmin

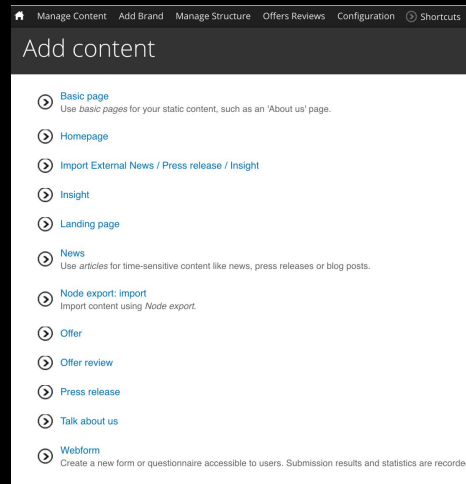

- 3) Publish this advanced page

Now the section “Insight” is available next to the News section :

Create an insight content

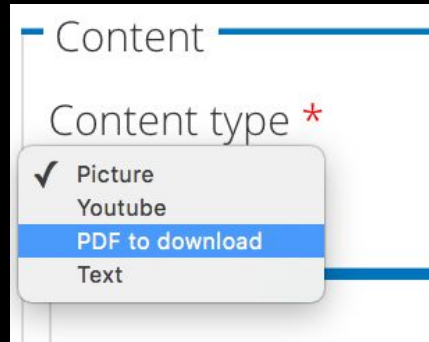

1) Go to Manage Content -> Content -> Add content -> Select Insight

2) Complete the Insight and publish it. Then it will be automatically available in front office

Create an insight layer

- 1) Go to Manage Content -> Layer -> Add layer-> Select Insight
- 2) Complete the Insight layer and select one content type to display

- 3) Publish the layer
- 4) Pay attention : You have to add the layer in the page Insight list or Insight content (sidebar)
