## ARVAL'S SERVICES

Arval's core values are care, expertise and simplicity. With this in mind, we deliver a 5-pillar approach to corporate fleet solutions. With Arval, you can delegate your entire fleet management operation to us, including driver communication - this relieves you of a daily burden, freeing up time to focus on your core business. Our team of experts will continually analyse your existing fleet leasing needs and identify the right vehicles and services for your business - whether that's MTR, LTR, or electric vehicles. It's Arval's business to know your business.

## MOBILITY AS A SOLUTION

### Leasing or buying ?

Buying a car or van is costly and time-consuming. Instead, rely on Arval to manage your fleet and master your budget. We take all the worry and risk away from running a business vehicle.

### Small fleet management solution

You can rely on Arval to manage your small business fleet and master your budget. No more surprises or time-consuming administration : instead, get your vehicles and services sorted in a single, fixed monthly fee.

### Master your budget

Arval takes away the unpredictability of buying, maintaining, and selling cars and vans. Your payments are fixed, and usually lower than if you paid for each cost-item separately. We focus on your cars and vans, so that you can focus on your business.
