# Step 1 : Create a blog tag

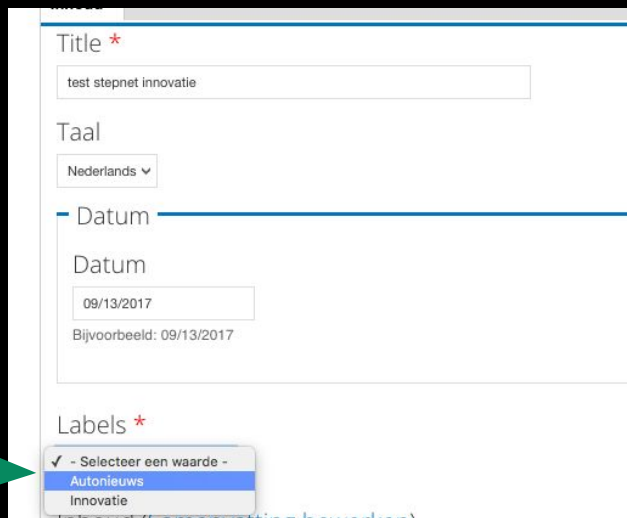

- 1) Go to Manage Content -> Content -> Add content -> Select “Tags (for blog)”

- 2) Complete the blog tag and publish it. Then it will be automatically added to the menu “Arval blog”

# Step 2 : Create a blog

- 1) Go to Manage Content -> Content -> Add content -> Select “Blog”. Here you can create your blog and link it to a blog tag.

The screenshot shows a form for creating a new content item. The form is divided into several sections:

- Title \***: A text input field containing "test stepnet innovatie".
- Taal**: A dropdown menu set to "Nederlands".
- Datum**: A section header.
- Datum**: A date input field containing "09/13/2017". Below it, a small text label reads "Bijvoorbeeld: 09/13/2017".
- Labels \***: A dropdown menu with a checkmark icon. The menu is open, showing three options: "- Selecteer een waarde -", "Autonieuws", and "Innovatie". A green arrow points to the "Autonieuws" option.

Your blog tag is added automatically to the menu “Arval blog”
